About the Department

The Department of Chemical Engineering at IIT Jodhpur is committed to advancing Chemical Engineering education and research through fundamental-driven, interdisciplinary, and sustainable research integrating emerging technologies. Its diverse research portfolio spans reaction engineering, transport phenomena, thermodynamics, modelling and simulation, polymers, biochemical engineering, membranes, process control, data analytics, and AI/ML.

The Department fosters interdisciplinary and industry-oriented research through collaborations with leading national and international organizations, including DRDO, the Department of Drinking Water and Sanitation, and the International Atomic Energy Agency.

As the organizing department for IC-ETCPE 2026, the Department seeks to connect researchers, academicians, industry professionals, and young researchers to exchange ideas and foster collaborations in catalysis and chemical process engineering for sustainable development.

About the Conference

Chemical Engineering plays a vital role in addressing global challenges in climate change, energy security, resource scarcity, and environmental sustainability. IC-ETCPE 2026 aims to provide an interdisciplinary platform for researchers, academicians, and industry professionals to exchange ideas and advance sustainable, scalable, and resource-efficient technologies.

The conference will bring together fundamental and applied researchers across catalysis, reactor design, separations, process intensification, energy systems, biotechnology, resource recovery, carbon management, and systems-level engineering.

Chief Patron

Prof. Avinash Kumar Agarwal
Director, IIT Jodhpur

Patrons

Prof. Bhabani Kumar Satapathy
Deputy Director, IIT Jodhpur

Prof. Sunil Kumar Khijwania
Dean of Research and Development, IIT Jodhpur

Organising Chair

Prof. Parag A Deshpande, Professor & Head,
Department of Chemical Engineering, IIT Jodhpur

Convenors

Dr. Vikky Anand, Assistant Professor,
Department of Chemical Engineering, IIT Jodhpur

Dr. Prashant K Gupta, Assistant Professor,
Department of Chemical Engineering, IIT Jodhpur

Co-Convenors

Dr. Manoj K Jena, Assistant Professor,
Department of Chemical Engineering, IIT Jodhpur

Dr. Rachael J Barla, Assistant Professor,
Department of Chemical Engineering, IIT Jodhpur

Organising Secretaries

Dr. Sumit Parvate, Assistant Professor,
Department of Chemical Engineering, IIT Jodhpur

Dr. Sumit Kamal, Assistant Professor,
Department of Chemical Engineering, IIT Jodhpur

International Conference on Emerging Trends in Catalysis and Process Engineering (IC-ETCPE 2026)

1 Objectives of the Conference

- To present the latest developments in emerging chemical engineering and process technologies.
- To bring together researchers from chemical engineering, energy, materials science, AI/ML, and environmental engineering.
- To connect research with practical applications, process development, scale-up, and industrial realization.
- To foster collaborations between universities, research organizations, and industries.
- To provide opportunities for students and early-career researchers to present their work, learn from experts, and build professional networks.

2 Themes of IC-ETCPE 2026:

- Catalysis for sustainable processes: Nanomaterials, porous materials, membranes, catalysts, functional materials, and materials for energy and environmental applications.
- Green Energy and Hydrogen Technologies: Hydrogen production and storage, fuel cells, electrochemical processes, renewable fuels, CO_2 capture, conversion and utilization, carbon mineralization, and catalytic CO_2 valorization.
- Waste-to-Wealth and Circular Economy: Waste valorization, biomass conversion, plastic and polymer recycling, industrial waste utilization, environmental remediation, resource recovery, and life cycle assessment.
- AI/ML and Digitalization in Process Industries: Artificial intelligence, machine learning, digital twins, data-driven modelling, process monitoring, optimization, control, predictive analytics, and techno-economic analysis.

Confirmed Speakers:

- **Prof. Kaustubha Mohanty, IIT Guwahati**
- **Prof. Suddhasatwa Basu, IIT Delhi**
- **Prof. Sonil Nanda, Dalhousie University, Canada**
- **Prof. Ewa Kowalska, Jagiellonian University, Poland**
- **Prof. Nasir Mahmood, RMIT University, Australia**
- **Prof. Marcin Kobielusz, Jagiellonian University, Poland**
- **Prof. Vikram Vishal, IIT Bombay, India**
- **Prof. Debasis Sarkar, IIT Kharagpur**
- **Dr. Bablu Mordina, DRDO, DMSRDE, Kanpur**
- **Prof. Sridharakumar Narasimhan, IIT Madras**
- **Prof. Vimal C Srivastava, IIT Roorkee**

Sponsorship:

Platinum
INR 4,00,000
(excluding GST)

- 4 complementary registrations
- Logo on website, banners and registration kits
- Complementary gala dinner
- Complementary meals and accommodation throughout the conference
- Separate stall for display with TV
- Slot for talk

Gold
INR 2,00,000
(excluding GST)

- 2 complementary registrations
- Logo on website and banners
- Complementary gala dinner
- Complementary meals throughout the conference
- Separate stall for display with electrical connections
- Slot for talk

Silver
INR 1,00,000
(excluding GST)

- 2 complementary registrations
- Logo on website
- Complementary gala dinner
- Separate stall for display with electrical connections

Exhibitor
INR 75,000
(excluding GST)

- Separate stall for display with electrical connections
- Product and service display opportunity

Abstract submission:

https://forms.gle/ZJgT1KNzKWVaTNDi7

How to reach:

By railway: the nearest major railway station is Jodhpur Junction (JU) railway station, Bhagat ki kothi, which is 24 km from IIT Jodhpur

By air: the nearest airport is Jodhpur Airport (JDH), Air Force Area, Ratanada, located 25km from IIT Jodhpur campus

By bus: Jodhpur is well connected by road and bus to major cities of Rajasthan and nearby states

Registration:

	Early bird registration		Regular registration	
Registration fee (including 18% GST)	National	Inter-national	National	Inter-national
Students (Masters/Research Scholars)	₹3,540	$ 150	₹4,000	$ 200
Academic (Professor/Postdoc/Scientist)	₹7,080	$ 250	₹8,000	$ 300
Non-Academic Participants	₹11,800	$ 300	₹13,000	$ 350
Accompanying person	On enquiry			

Accomodation:

Students	Delegates
Double sharing Hostel Room (charges/person/day is ₹600, excluding GST)	Partner Hotels will be notified on the website

Timeline:

Call for abstracts (Oral/poster): 10th November, 2026
Notification for abstract acceptance: 20th November, 2026
Early bird registration: 20th October - 20th November, 2026
Technical program announcement: 5th December, 2026
Full paper submission: Will be notified after the conference

Publication: Details regarding publication in a special issue with Springer Nature and ACS will be communicated. Follow the website for further details.

Visa Information: International participants requiring an invitation letter for a visa application may contact iccpe@iitj.ac.in with their registration details.
